It's never too early to establish healthy habits with children. They rely on you to help establish their day to day routines. Now is the time to get them in the habit of taking a multi-vitamin to help boost their immune system to guard against what they may be exposed to everyday. Pharmax Pharmacy is dedicated to helping you as a parent keep your child healthier month after month with our Pharmax Healthy Kids program. It's EASY and it's FREE!

Here's what you need to know:

- Available to all children living in the household ages 5—12
- One free bottle of Kids Chewable Multi-Vitamins per month, per child
- Must be picked up in store by a parent/guardian
